

Coach Profile

**Ty
Guzik**

[ty.guzik@
yahoo.com](mailto:ty.guzik@yahoo.com)

USSF D License

Ty grew up playing PYSL until he was old enough to play competitive soccer. He joined Mission Bay Soccer Club and played there for a couple years until making the Nomads. His Nomads team was quite strong with many players going on to play in college and one player who was on the US team (and in Europe). They won the Dallas Cup in 1988 and beat teams from Peru, Japan, and other countries. Eventually, in 9th grade, Ty had to choose between playing for Mission Bay High School or Nomads and he chose MBHS (Go Bucs!). At MBHS, he played Football, Soccer, and Baseball. His soccer team won 2 CIF Titles and made the All League and All CIF teams. He decided to play college Soccer and made the UC Davis college team. After graduating from UC Davis, he moved on from training elephants to coaching the boys JV Scripps Ranch HS team. He loved coaching and teaching teenagers and decided to complete his teaching credential. While teaching at San Diego HS, he coached the girls Varsity soccer team for a few years. At the same time, he was coaching for the FIRE, which merged to become Notts Forrest. He coached at Notts for a few years as well. Eventually, he became the Athletic Director at SDHS and stopped coaching soccer for a stint. When his kids were old enough they both played PYSL and then joined Blast! He's been coaching his boys at Blast for the last 6 or so years.

Team Profile

B2010

The **2010 Boys** dominated the time of possession in every game and played great soccer in the Attack Classic. In Game 1, despite controlling the entire game, we struggled to score but Gage was able to sneak in a break away goal by megging the goalie. In Game 2, we played the strongest team we would face. Luckily, we got out to a quick 2-0 lead with goals from Carsen and Gage. The ref called a penalty on us and we allowed our only goal but managed to regain the momentum with a goal from Seabass off a fantastic cross from Sebastian and won 3-1. In Game 3, we won easily and could have had 10 goals but put in 4. Goals were scored by Jay, Gage, Seabass and Drake. In the Final, the ball didn't bounce our way but we were able to score off a great punt from our goalie Jake, which Seabass popped over the goalie's head to score our only goal. This was our first big tournament win and we are so proud of the **perseverance** they showed. Our defenders and goalie looked very strong as we played out of the back and possessed the ball while wearing down the other teams.

BLAST FOR THE GOLD!
