

Director of Coaching Profile

Tiffany Quackenbush

doc@blastsoccer.org

USSF B License

Tiffany grew up in San Diego playing soccer for our very own PYSL with her brothers and sister. She played at University of San Diego High School (Uni). She played for Cal South's State Team (ODP) for 5 years, attended Regional Camps and was selected to the Regional Team and into the US Youth National Pool. She attended, played and coached at the University of California, Irvine.

Tiffany has coached at various levels over the years including High School, Jr. College (Head Coach), division one college assistant, ODP assistant coach, and various club teams including PYSL Rec, Blast and San Diego Surf.

Her vision for the club is for the kids to build their basic technical and tactical skills, grow as an individual and in their love of the game in a player centered environment. Her guiding principals are:

- To implement an age appropriate training and development system.
- To guide players to prepare mentally and physically to compete at their highest levels and to achieve their personal and team goals.
- To use our club's strengths: athleticism, voluntarism, locally minded, multi-sport athletes.
- Parent supported and coached at an affordable cost.
