

BLAST SC HIGHLIGHT

WEEK 2 - 2022

Blast SC had a great time with the San Diego Wave FC!

Our club was able to be a part of history being made. Many of our players attending the sold out SD Wave game, which set the World Record for highest attendance for a Women's Pro Soccer Game. They were loud and proud as they celebrated Wave keeper Sheridan block a PK, and Wave striker Shaw score the winning goal.

To top it off, a few days later 4 players from the Wave team came and met our teams at practice. They stayed to answer questions and sign autographs. It was a very memorable experience for all!

A special Thank You to:
Jayden Shaw #11
Kaleigh Riehl #18
Marleen Schimmer #27
Katie Johnson #33

Let's Go WAVE FC!!!

Week 1 and 2 Blast SC Highlights

Captain Talia Snyder, buries a chance en route to our 2nd win vs Olympicos

G2009

Ellie Wilson celebrates her first goal of the season.

What a difference a year makes!

The **Girls 2009** are off to a hot start, winning their first two games by a combined 15-0. They started with a home victory vs East County Surf, 4-0. It was a true team win, with every girl contributing to the shutout victory.

We played our 2nd game in Olay against an Olympicos team we lost to 1-0 last year. The girls showcased their growth and passing game from the start, dominating possession and scoring 6 first half goals on their way to an 11-0 win.

To start our season, we showed our girls a video from the University of Florida women's soccer team on the concept of being "**ALL IN**" during training and games, and they've embraced it.

It's really been great to see all their hard work and effort paying off.

Well done, ladies!

This summer, our **Girls 2012** (Bollin) team said goodbye to the heart and soul of our team: the **Scade** family. Coach Mario, Team Manager Kathryn, all-around all-star Olivia, and official team little brother Mario have embarked on an amazing family adventure, moving to Mario's home country of Spain. We are adapting to team life without Coach Mario, who has coached some of our 5th graders since they were in kindergarten. He always knew how to get the team to shift into "**Beast Mode**"! Coach Mario's energy and enthusiasm made learning soccer strategy tons of fun. Team Manager Kathryn made all the behind-the-scenes work for two Blast teams seem effortless. Losing **Olivia** on the field has been tough – she is a fierce competitor, willing to give 100% anywhere, at midfield, goalie, or on offense, and she seemingly never tires. But the girls miss Olivia's creativity and fun spirit off the field even more! Finally, **Little Mario** was always willing to make the girls work hard in scrimmages, showing off his speed and footwork.

The team is fortunate to have a **dedicated coaching staff** for the 2022 season. Veteran coaches Raoul Bollin and Bobby Crisostomo have been joined by Coach Leah Dobek, who played DI soccer at Bowling Green state University. The team played hard in our two summer tournaments, just missing the championship game in both. **Aria Rivera** and **Brooklynn Hsu** each notched hat tricks in tournament games, and goalie **PK Eaton** made Sportscenter Top 10-worthy saves. We're off to a solid 1-1 start in league play, and we'll be ready to play in a tourney in Spain next summer!

Good Luck Scades!
